Section 1: Reading for Ideas

Read **Passage 1** in the insert and answer **all** the questions below.

1 (a) Notes [15 Marks]

Identify and write down the points in the passage which describe the stages in the development of railways and the benefits these developments brought, and the advantages of train travel nowadays.

USE THE MATERIAL FROM THE WHOLE PASSAGE.
At this stage, you need NOT use your own words. To help you get started, the first point in each section of notes is done for you. You will be awarded up to 15 marks for **content** points.

MAIN POINTS
Stages in the development of railways and the benefits these developments brought
• *Carriages pulled by slaves along grooves in limestone (in Greece)*
The advantages of train travel nowadays
• *Train stations conveniently situated near town / city centres*

(b) Summary [5 marks]

Now use your notes to write a summary in which you describe the stages in the development of railways and the benefits these developments brought, and the advantages of train travel nowadays, as outlined in the passage.

This time, you will be awarded up to 5 marks **for using your own words** wherever possible and for **accurate use of language**.

Your summary, which must be in continuous writing (not note form), must be no longer than **160** words, including the 10 words given below. Begin your summary as follows:

The oldest form of railway was an invention in which .....
